BoQ for Financial Bid

Fabrication of GoH India Pavilion

FIL Guadalajara

Mexico

2019

Nodal Agency: National Book Trust, India

Designer: National Institute of Design, India

FIL Guadalajara International Book Fair 2019					
Project: Guest of Honour Pavilion, India					
Nodal Agency: National Book Trust, Govt of India					
Designer: National Institute of Design, Ahmedabad, India					
BoQ for Fabrication of the GoH India Pavilion, FIL 2019 (A)					
No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
1	Raised flooring/platform: 100 mm raised, modular platform system of ply on top of metal sturdy frame structure , covering the entire area of the GoH pavilion, covered with medium quality carpet as per selection and colour scheme provided. Area 320 sqm approx. (Ref 24 dwg).	set	1		
2	Information desk: MDF structure, with detailing as per drawing, with lockable storage below the table top (accessible from inner side of the table), in semi gloss PU paint finish, as per colour scheme provided. Incorporates a 10 mm frosted acrylic sheet on the table surface, as per drawing. Over all dimension 3.00*1.5*0.90m (Ref 02 dwg)	set	1		
2a	Table top lamp, in fabric (as per selection) clad over an internal MS rod structure, having timber top cover and bottom base, with LED wam light source inside, as per drawing (Ref 02 dwg inset drawing)		1		
3	Information desk backdrop: MDF box partition structure with necessary internal frame support to hold LED screen and bookshelves on reverse side, as per drawing, in roller paint finish on sides and reverse side only as per colour scheme provided. Over all dimension 7.5*3.0*0.3 m. (Ref 02 dwg)	nos.	1		
3a	Information desk bookshelf: 18 mm thick MDF panel bookshelf in roller paint finish, as per drawing. MDF shelves with required strength and support framework to take the load of books. Over all dimension 7.5*3.0*0.4m (Ref 02 dwg).	set	1		
4	Rights catalogue display unit: MDF structure, with detailing as per drawing, in roller paint finish as per colour scheme provided. LED light strip in groove, as per detail depicted in drawing. Over all dimension 1.0*3.0*2.0 m. (Ref 03 dwg).	nos.	4		
4a	Wall mount downlighter hanging lamp of type as indicated in drawing, as per selection.	nos.	8		
5	Spanish translation display unit: MDF structure, with detailing as per drawing, in roller paint finish as per colour scheme provided. LED light strip in groove, as per detail depicted in drawing.Over all dimension 1.0*3.0*1.3 m. (Ref 04 dwg)	nos.	2		
5a	Wall mount downlighter hanging lamp of type as indicated in drawing, as per selection.	nos.	2		
6	Rights catalogue backdrop: MDF box partition structure, as per drawing, with necessary internal frame support in roller paint finish on sides and reverse side. Over all dimension 13.674*3.5*0.15m (Ref 05 dwg)	nos.	1		
7	"Antariksha Sanchar " Shell: MDF structure with necessary internal frame structure support, with roller paint finish as per colour scheme provided, of design as per drawing. Over all dimension 5.0*6.0*4.0m. (Ref 07 dwg)	nos.	1		
	Internal Elements of "Antariksh Sanchar " Refer to <i>Antariksh Sanchar</i> 3D views (slide nos 20 - 22, in file 00_3D Views..) All these elements can be sourced/rented items:				
7a	Main Table for keeping literature material on it, of appropriate size in the space. Victorian study table; Wooden, dark finish with brass handles.	nos.	1		
7b	Small side table, of appropriate size in the space. Victorian era wooden side table small, possibly shorter than main study table.	nos.	1		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
7c	Chair of appropriate size in the space. Comfortable wooden Victorian chair without arms; dark polish.	nos.	3		
7d	Carpet for in front of the table, of size appropriate for the space as indicated in 3D. Can be straw mat or a Victorian era small sized carpet to place below table; dark colours, minimal patterns.	nos.	3		
7e	Vintage Telescope. Brass telescope, of appropriate size in the space, can be non-functional; can have patina and non-shiny finish; only for display.	nos.	1		
7f	Wooden Globe. Wooden globe from Victorian era, non-functional, only to be used as a visual prop.	nos.	1		
7g	Old Chest. Small wooden chest, Victorian era look and finish, non functional, will remain locked visual prop.	nos.	1		
7h	Old Radio. Old radio, non-functional, wooden body with metal antenna.	nos.	1		
7i	Standing, vertical study table with book holder of appropriate size in the space. Victorian era dark wooden finish; with storage area on the top and bottom.	nos.	1		
7j	Medium sized table 01 . Victorian study table - wooden, dark finish with brass handles; thinner and smaller than the Main table (7a); enough surface area for a keyboard/mouse and space for various assortment of objects.	nos.	1		
7k	Stands for iPad. Slightly above waist level stands to hold iPads; see images from renders for reference.	nos.	3		
7l	Medium sized Table 02(for AR Experience). Victorian study table - wooden, dark finish with brass handles; thinner and smaller than the Main table (7a); enough surface area for 3 iPads and space for various assortment of documents and objects.	nos.	1		
7m	Vinyl Markers on floor. circular vinyl prints on floor, as per pattern artwork provided.	nos.	3		
7n	Bundles of printed A4 paper as prop	sets	3		
8	Illustrator kiosk: MDF structure, as per drawing, with necessary internal structure to hold a 32"touch screen display and CPU, in roller paint finish as per colour scheme provided. Kiosk to be securely anchored to the platform floor. Over all dimension 0.809*1.337*0.622 m. (Ref 08 dwg).	nos.	3		
9	Illustrator kiosk backdrop: MDF box partition structure, as per drawing, with necessary internal frame support in roller paint finish as per colour scheme provided. Over all dimension 3.0*3.0*0.15 m. (Ref 09 dwg)	set	1		
10	Illustrator video wall: MDF box partition structure, as per drawing, with necessary internal frame support to hold LED screen blocks, in roller paint finish as per colour scheme provided. Over all dimension 2.2*3.0*0.25m. (Ref 10 dwg)	set	2		
11	Bookshelf 01: Structure with 18 mm thick MDF, with necessary internal truss support within the pillars in between the structure, as per drawing, in roller paint finish as per colour scheme provided. The bookshelf structure to have 15 vertical bays of 1 m width, with three to four shelves as per requirement, with structural capability to take the load of books. Bookshelf back opening covered with 6mm colour frosted acrylic (as per drawing). Overall dimension 17.33*3.075*0.4m. (Ref 12A and 12B dwg).	set	1		
11a	Wall mount downlighter hanging lamp of type as indicated in drawing, as per	nos.	6		
11b	Bookshelf 01 Seating: Structure with 18 mm thick MDF, in roller paint finish. 20 mm thick timber slats seating in natural colour varnish finish, as per drawing. (Ref 12B dwg).	Set	2		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
12	Bookshelf 02: Structure with 18 mm thick MDF, with necessary internal truss support within the pillars in between the structure, as per drawing, in roller paint finish as per colour scheme provided. The bookshelf structure to have 15 vertical bays of 1 m width, with three to four shelves as per requirement, with structural capability to take the load of books. Bookshelf back opening covered with 6mm colour frosted acrylic (as per drawing). Overall dimension 17.33*3.075*0.4m. (Ref 13A and 13B dwg).	set	1		
12a	Wall mount downlighter hanging lamp of type as indicated in drawing, as per	nos.	6		
12b	Bookshelf 02 Seating: Structure with 18 mm thick MDF, in roller paint finish. 20 mm thick timber slats seating in natural colour varnish finish, as per drawing. (Ref 13B dwg).				
13	Table top display unit: MDF structure with detailing as per drawing, in roller paint finish as per colour scheme provided. LED light strip in groove, as per detail depicted in drawing. Over all dimension 1.0*1.165*2.0 m. (Ref 06 dwg).	nos.	3		
13a	Table top lamp in fabric (as per selection) clad over an internal MS rod structure, having timber in top, sides and bottom, with LED warm light source inside, as per drawing. (Ref 06 dwg inset drawing).	nos.	4		
14	Payment desk: U shaped desk, MDF structure with lockable storage below table top, semi gloss PU paint finish as per colour scheme provided, as per drawing. Over all dimension 3.0*0.9*3.0m (Ref 15 dwg)	nos.	1		
14a	Table top lamp , in fabric (as per selection) clad over an internal MS rod structure, having timber top cover and bottom base, with LED warm light source inside, as per drawing (Ref 02 dwg inset drawing)	nos.	2		
15	Gandhi installation: Raised platform in MDF with necessary internal structure support to fix partition wall and acrylic vertical panels (see 15b), as per drawing, in roller paint finish as per colour scheme provided. Over all dimension 4.0*0.3*1.0 m. (Ref 14 dwg)	no's	1		
15a	Gandhi installation backdrop: MDF box partition wall structure with necessary internal frame support, as per drawing, in roller paint finish as per colour scheme provided. Over all dimension 3.6*2.2*0.1m. (Ref 14 dwg).	no's	1		
15b	Acrylic panel: 10mm thick acrylic panels inserted in the raised platform, as per drawing. Dimension, size 01: 1.5*0.35m X 2 units, size 02: 1.2*0.35m X 3 units, size 03: 1.0*0.35m X 2 units. (Ref 14 dwg)	nos.	7		
16	Stage platform: Raised platform in plywood top surface, with necessary MS frame structure support to fix partition wall backdrop, as per drawing. Top surface covered with engineered wood floor and raised height in roller paint finish as per colour scheme provided. Over all dimension 8.0*4.0*0.25 m. (Ref 16A dwg).	nos.	1		
16a	Stage backdrop: MDF box partition wall structure with necessary internal frame support to hold LED block screen in roller paint finish on sides only, as per drawing. Over all dimension 8.0*3.25*0.3 m. (Ref 16A dwg).	nos.	1		
16c	Backstage equipment room: 50mm thick MDF partition wall structure with lockable door and auto door closer in roller paint finish as per colour scheme provided, as per drawing. 2 standard sized tables inside the room. Over all dimension 7.0*2.4*2.0m. (Ref 16A dwg).				
16d	Bench: MDF seating in roller paint finish with seat top covered with 2 inch thick 30-density foam covered with leatherite, as per drawing. Over all dimension 1.2*0.45*0.4m. (Ref 17 dwg).	nos.	24		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
17	Indian Embassy Cultural Display - central partition: MDF box partition wall with necessary internal frame structure to hold 60" LED TV screen on both sides, in roller paint finish, as per drawing. Over all dimension 3.0*2.1*0.15m. (Ref 19 dwg).	nos.	1		
17b	Indian Embassy Cultural Display desk: MDF structure, as per drawing, with lockable storage below in semi gloss PU paint finish as per colour scheme provided. Over all dimension 1.8*0.7*0.6m (Ref 19A dwg)	nos.	2		
18	"INDIA" Steps: Plywood structure with necessary internal MS frame structure with top surface covered with medium quality carpet, as per drawing. Riser in roller paint finish as per colour scheme provided. (Ref 22	set	1		
19A	Floor standing letters, Hindi script - Bha-Ra-Ta : MDF structure with necessary internal MS frame structure, anchored to floor platform, as per drawing, of 6 mts height (mentioned as per drawing no 20) with outer contour shape as per digital vector artwork provided. Surface cladding treatments - front and back flat surface covered with router cut pattern on 6 mm mdf sheet, as per digital vector artwork provided with paint finish, on top of backlit acrylic surface (with light source inside the letter forms) . Inner & outer curved surfaces covered in self adhesive vinyl (SAV) with digital print as per artwork provided. (Ref 20 dwg)(Ref slide 33 of Annexure3_3d views file).	nos.	3		
19B	Floor standing letters, Latin script - I-N-D-I-A: MDF structure with necessary internal MS frame structure, anchored to floor platform, as per drawing, of 3 mts height (mentioned as per drawing no 20) with outer contour shape as per digital vector artwork provided. Surface cladding treatments - front and back flat surface as well as inner & outer curved surfaces covered in self adhesive vinyl (SAV) with digital print as per artwork provided. (Ref 20 dwg).	nos	5		
20	Suspended letters: Lightweight aluminium frame structure of 2.5 to 3 mts in height (mentioned as per drawing no 21) with outer contour shape as per digital vector artwork provided, clad with digitally printed fabric with provision for internal LED lighting. Letters should be suspended with twisted wire cables (minimum four) and secured appropriately from existing space frame ceiling structure. (Ref 21 dwg). Total weight of one individual letter not to exceed 20 kgs.	nos.	16		
21	Pantry room: 50mm thick MDF partition wall structure, as per drawing, with lockable door and auto door closer in roller paint finish as per colour scheme provided. Open shelf for storage to be provided inside the pantry room. Outside serving platform in MDF with lockable storage unit below, in roller paint finish, top surface of serving platform to be covered in approved laminate. Pantry room dimension 2.0*3.0*4.0 m, serving platform section dimension 1.05*3.0*0.9 m. (Ref 18 dwg)	nos.	1		
22	Executive and staff room: 50mm MDF partition wall structure, as per drawing, with front glass 10mm thick glass partition and 12mm thick toughen glass door, lockable frameless glass door with auto door closer. Aluminium channel at bottom of the glass partition to be embedded within the platform as per drawing. Walls painted in roller paint finish as per colour scheme provided. Chairman room dimension 3.0*3.0*4.0 m, Director room dimension 3.0*3.0*4.0 m, Staff room dimension 3.0*3.0*4.0 m. (Ref 18 dwg)	nos.	3		
22a	Staff room work desk: MDF work desk with lockable storage below in roller paint finish as per colour scheme provided. Table top to be covered in approved laminate finish. Over all dimension of a single work desk 1.0*.75*0.6m. (Ref 18 dwg).	nos.	5		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
22b	Table top lamp as per drawing to be provided in chairman, director and staff room. (similar to Item 2a; Ref 02 dwg inset drawing).	nos.	3		
23	Staff storage: 50mm MDF partition wall structure, as per drawing, with lockable door and auto door closer in roller paint finish as per colour scheme provided. Over all dimension 3.5*3.0*4.5 m. (Ref 18 dwg).	nos.	1		
24	Publishers' lounge Railing: 1m high, 10mm toughened glass railing with necessary hardware to be provided. Railing to be securely anchored to the platform floor considering all the necessary safety aspect in construction. Over all dimension 10.2*1.0 m. (Ref 01A & 18).	nos.	1		
25	General Information kiosk: MDF structure in roller paint finish as per colour scheme provided, same as item no 8. Kiosk to be firmly anchored to the platform floor. Over all dimension 0.809*1.337*0.622 m. (Ref 08 dwg).	nos.	3		
26	Rented furniture to be selected based on available design. Size as appropriate to space available as indicated in drawings				
26.1	3 seat Sofa	nos.	3		
26.2	2 seat sofa	nos.	2		
26.3	1 seat sofa	nos.	6		
26.4	Side table, of size corresponding to sofa sets, as indicated in drawings	nos.	7		
26.5	Centre table, of size corresponding to sofa sets, as indicated in drawings	nos.	4		
26.6	Executive desk	nos.	2		
26.7	Executive chair	nos.	2		
26.8	Revolving chair	nos.	17		
26.9	Square café table - 90 x 90 cms table top	nos.	15		
26.11	Café chair	nos.	60		
26.12	Bar stool	nos.	8		
27	Rented F&B equipment				
27.1	Cold and hot water dispenser	no's	1		
27.2	Water bottle refills	no's	4 per day		
27.3	Tea and Coffee dispenser	no's	1		
27.4	Tea and Coffee instant mix refills of good quality	no's	As per requirement		
27.5	Paper cups and paper glasses throughout the event duration.	no's	As per requirement		
27.6	Fresh flower arrangement in chairman room, director room, info desk, payment desk and stage. Flowers to be changed thrice during the event.	no's	5		
28	Audio, video, electronic equipment requirement				
28.1	Audio speakers at stage for 50 people audience.	nos.	2		
28.2	Small Audio speakers at Antariksha Sanchar.	nos.	4		
28.3	Lapel microphone	nos.	4		
28.4	Wireless microphone	nos.	2		
28.5	Audio and Video control and mixing equipment (in Backstage equipment room)	set	as per requirement		
28.6	Information desk backdrop: 0.5*0.5m LED screen block, screen size 2.5*1.5	set	1		
28.7	Stage: 0.5*0.5m LED screen block, screen size 3.0*2.0m.	set	1		
28.8	Illustrator Video Wall: 0.5*0.5m LED screen block, screen size 2.5*1.5m	set	2		
28.9	Illustrator Kiosk: 32 inch LED touch screen with USB connectivity to play content.	nos.	3		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
28.11	General information kiosk: 32 inch LED touch screen with USB connectivity to play content.	nos.	3		
28.12	India cultural display: Display(TV) thin bezel 60" TV with USB flash drive connectivity.	nos.	2		
28.13	Antariksha sanchar area: Thin bezel 42" TV with USB flash drive connectivity and HDMI cable to gaming PC.	nos.	4		
28.14	Antariksha sanchar area: Peripherals for Game - Gaming mouse and keyboard.	set	1		
28.15	Antariksha sanchar area: High end Gaming computer (i7 intel processor; GTX 1070 or better GPU, 16GB RAM, and 256GB SSD).	nos.	1		
28.16	Antariksha sanchar area: Short throw Hi definition Full HD Projectors for the walls.	nos.	2		
28.17	Antariksha sanchar: Raspberry Pi (\$25 small card size PC to provide content to projectors) + HDMI to HDMI cable; Model 2/3.	sets	3		
28.18	Antariksha sanchar: Latest iPads (iPad 6/ iPad Air (latest)/ iPad Pro).	nos.	6		
28.19	Staff room desktop computer: Desktop computer to be provided with configuration adequate for high speed web browsing and running MS office software with key board and optical mouse. Computer must have multiple USB ports, Wi-Fi receiver enabled and DVD player. Computer should be preloaded with latest Microsoft OS- Windows 10 in English, MS office suit (Excel, Word, PPT is a must), VLC media player, Google chrome, WinRAR, AVG antivirus trial software, Adobe Acrobat Reader and necessary devices drivers. System administrator should not be locked with password and must allow system access to add & remove any software that client find necessary.	nos.	2		
28.19	Laser B/W printer: A4 size B/W printer cum copier cum scanner to be provided. Printer should be attached to anyone desktop computer. Full ink cartridges to be provided along with 1 rim of good quality A4 size paper (minimum 100 sheets). Sealed ink cartridges to be provided and installed at site before opening of the pavilion. Necessary printer driver and software should be preloaded in both the desktops.	nos.	1		
28.21	Inkjet A4 Colour printer: A4 size inkjet colour printer to be provided of good branded make such as HP/Canon/Epson etc. Printer should be attached to anyone desktop computer. Full ink colour cartridges to be provided along with 1 rim of good quality coated A4 size paper (minimum 100 sheets) for colour print. Sealed ink cartridges to be provided and installed at site before opening of the pavilion. Necessary printer driver and software should be preloaded in both the desktops.	nos.	1		
28.22	Internet dongles: high speed internet dongle to be provided with unlimited internet access. Internet plan must have at least 15 days validity period.		2		
28.23	All necessary cabling and wiring as per requirement.		as per requirement		
29	Digital Printing & Plotter cutting				
29.1	Information desk: Plotter cut self adhesive (SAV) in front and side of the information desk. Front side size- 3.0*0.8 m, left side size- 1.5*0.8 m	set	1		
29.2	Information desk backdrop: Digital print on full Backdrop, on self adhesive vinyl (SAV) minus LED screen area. Size of backdrop - 7.5*3 m (minus LED screen)	set	1		
29.3	Information desk bookshelf: Digital print on SAV on top band. Size- 7.5*0.775	set	1		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
29.4	Information desk locker labels: Digital print on SAV. Size- visiting card size	nos	14		
29.5	Lounge table publisher placard on the table: Digital print on SAV inside Acrylic holder with . Size- A4 (210*297 mm)	nos	15		
29.6	Rights catalogue display unit: Digital print on SAV, front and back side of the display unit. Size- 0.950*2.0 m	set	8		
29.7	Spanish translation display unit: Digital print on SAV on front side of the display unit only. Size- 0.950*2.0 m	set	2		
29.8	Rights catalogue backdrop: Digital print on SAV. Size- 13.674*3.5 m	set	1		
29.9	Literature inspired art mural: Digital print on SAV, removable vinyl pasted direct on the wall. Size- 30.0*6.220 m	set	1		
29.11	Antariksha sanchar: Foam board cut-out digital print on SAV, outside wall. Size- 6.0*3.0	set	1		
29.12	Antariksha sanchar: digital print on SAV, inside wall. Size- 6.0*3.0	set	1		
29.13	Illustrator kiosk: digital print on SAV. Size- 0.809*0.227 m	set	3		
29.14	Illustrator kiosk backdrop: digital print on SAV. Size- 3.0*3.0 m	set	1		
29.15	Illustrator video wall: Complete video wall digital print on SAV minus LED screen. Size- 2.0*3.0 m	set	2		
29.16	Bookshelf 01: digital print on SAV. Size- 1.0*0.45 m	set	15		
29.17	Bookshelf 02: digital print on SAV. Size- 1.0*0.45 m	set	15		
29.18	Payment desk: Plotter cut vinyl in front, left and right side of the payment desk. Front size- 3.0*0.825, Left side size- 3.0*0.825 m, right side size- 3.0*0.825 m	set	1		
29.19	Gandhi installation backdrop: digital print on SAV. Size- 3.6*2.2 m	set	1		
29.21	Gandhi installation acrylic panel: digital print on SAV. Size- 0.3*0.4	set	7		
29.22	Stage backdrop: Complete backdrop digital print on SAV minus LED screen.	set	1		
29.23	India name and flag: Digital print on SAV, removable vinyl pasted direct on the wall. Size- 9.929*4.0 m	set	1		
29.24	India cultural display backdrop: Digital print on SAV. Size- 3.0*2.1 m	set	2		
29.25	India cultural display desk: Plotter cut vinyl graphics in front. Size- 1.8*0.625	set	2		
29.26	Side and backside of pantry room and executive room wall facing passage and elevator: digital print on SAV. Pantry side size- 4.0*3.0 m, Executive cabin backside size- 3.5*3.0	set	2		
29.27	Inside chairman and director room: digital print on SAV. Size- 3.0*1.5 m	set	2		
29.28	Front glass façade: plotter cut frosted SAV on all 3 rooms glass walls and doors. Size- 3.0*0.5	set	3		
29.29	General info kiosk: digital print on SAV. Size- 0.809*0.227 m	set	3		
	Note: Print sqm shall be calculated as per final artworks printed at the time of execution of pavilion. Sizes given are indicative. Exact size will be based on final surface dimension after production				
30	Lighting and electrical points				
30.1	Soft throw LED spotlights - as indicated in the Lighting layout	15			
30.2	Spot LED light with 24" extension rod - as indicated in the Lighting layout	50			
30.3	Power points - as indicated in the Lighting layout		as per requirement		
30.4	Switchboard - as indicated in the Lighting layout		as per requirement		
30.5	6 amp Multi socket - as indicated in the Lighting layout		as per requirement		

No.	Scope of work, Size W*H*D	Unit	Quantity	Unit Price (in US\$)	Amount (in US\$)
30.6	One way light switch - as indicated in the Lighting layout		as per requirement		
30.7	Recessed floor LED Spot light - as indicated in the Lighting layout	18			
30.8	LED flood light with diffusers - as indicated in the Lighting layout	10			
30.9	Suspended LED light at 12m height from ceiling grid - as indicated in the	50			
30.11	LED strip lighting in niches - indicated in the individual object drawings		as per requirement		
30.12	Electrical Wiring & DB Board as required		as per requirement		
	Note: the quantity of lights shown in the Pavilion Lighting Plan (Ref 19 Dwg) are indicative and should be finalised as per site requirement.				
31	Other Charges				
31.1	Daily stall cleaning & maintenance during fair period	9 days			
31.2	Assembling, dismantling and transport	lumpsum			
31.3	Project management charges	lumpsum			
31.4	Repainting of walls, as required, for the Literature Inspired Art Mural Wall (item 29.9) of size 30.0*6.220 m and India name & flag wall (29.23) of size 9.929*4.0 m, after removal of SAV vinyl graphics after event	lumpsum			
32	Man Power (English & Spanish speaking)				
32.1	Housekeeping	nos.	2		
32.2	Serving	nos.	2		
32.3	Security	nos.	4		
32.4	Person to handle A/V equipment at all time throughout the exhibition	nos.	1		
32.5	Pavilion Exhibit guides to help visitors use the interactive equipment, conversant in Spanish and English, with IT knowledge; They will be given the requisite content training by the design team prior to the fair.	nos.	2		
33	Merchandise				
33.1	Cloth bags as per design provided. Quality cotton cloth with screen printed graphics.	nos.	1000		
33.2	Bookmarks as per design provided.	nos.	5000		
33.3	Pencil box as per design provided. Each box as contain 2 pencils.	nos.	1000		
33.4	Folders as per design provided.	nos.	1000		
33.5	India pavilion badge for staff and member identification, as per design	nos.	150		
33.6	Scarves, as per design provided, selected from samples.	nos.	100		
33.7	Caps for Kids (8 - 12 years)	nos.	500		
	Total (in US\$)				
	Taxes as applicable:				
	Grand Total (in US\$)
